The Ashtabula County Wildlife Conservation League is a National Non-Profit 501(c)3 Organization. Organized exclusively for charitable, educational, and scientific purposes.

## Ashtabula County Wildlife Conservation League

### ABOUT ACWCL

The Ashtabula County Wildlife Conservation League (ACWCL) a National Non-Profit 501(c)3 Organization, which was founded in the late 1930's and incorporated in 1959, was formed with the intent and purpose of passing on the heritage and right to pursue the outdoors sports such as hunting, fishing, camping, recreational firearms shooting, archery, and the like.

We currently accomplish our mission by working with and supporting such organizations as Boy Scout of Americas, Jakes Days the youth division of the National Wild Turkey Federation, Women in the Outdoors the female division of the National Wild Turkey Federation, Women on Target the female division of the National Rifle Association, Friends of the NRA the youth division of the National Rifle Association, 4H Shooting Sports Programs, Wheeling Sportsmen Handicapped Outdoor Sports Program, ACWCL Outdoor Education Weekend along with youth and educational programs held at the twelve clubs within our organization and at other conservation organizations throughout Ashtabula County and Northeast Ohio.

Our future goals are to be able to support all of the above mentioned outdoor sporting events and hopefully more, as well as expand our reach and promote our mission to other like minded organizations that may need our help and guidance.

**ACWCL PUBLIC PROGRAMS**

**CONNEAUT FISH & GAME CLUB ANNUAL TROUT DERBY.**

The Conneaut Fish and Game Club Annual Trout Derby is designed to promote fishing and is a free event for kids up to 16 years old. Each child who enters the derby receives a free fishing pole. Over three hundred youth lined the banks of the ponds to fish for the trout in 2014. This year is looking to be even better since

ACWCL and Conneaut received additional funding to sponsor the event from the ODNR.

**ACWCL PUBLIC PROGRAMS**

**ACWCL's OUTDOOR EDUCATION WEEKEND**

ACWCL's in conjunction with ARGC's OEW program helps keep hunting safe and enjoyable. The program covers the skills, regulations and responsibilities of hunting, and wildlife conservation that help to secure our hunting heritage. For boys and girls ages 11 to 16 OEW typically begins 6:00 PM on Friday evening the students sign in and

are assigned a tent for Friday and Saturday night. Tents are set up for sleeping and all food is furnished. Participants need to bring a sleeping bag, flashlight, and their personal items. Participants learn how to shoot Pistol, Rifle, Black Powder Muzzleloaders, Trap (20 gage), and Archery. Shooting events are one on one with an instructor. Ear plugs and safety glasses are furnished. There are seminars on tree stand safety, deer hunting, turkey hunting, game care, water safety, dog training and survival and much more. Sunday afternoon the Hunter Education test is given for those students that have not had one, which if passed, will allow participants to get their hunting license. There is no cost to the students for this course. All expenses are covered by the Ashtabula County Wildlife Conservation League, Whitetails Unlimited funds, National Wild Turkey Federation, Ohio Department of Natural Resources and donations from various local sporting goods stores.

**ACWCL's NEW 2015 HUNTERS FEEDING THE HUNGRY**

HFH is a new County League program for 2015 and we are searching for new butchers to participate in the program and spreading the word to the hunters. If you are a hunter and would like to get involved with this program by donating meat please contact John Kucera @ 440-428-9647 for a drop off location.

**ACWCL PUBLIC PROGRAMS**

**YOUTH PHEASANT HUNT**

Remember all youth in the State of Ohio are required to take a hunter education class before the State will issue a hunting license and any youngster that passes an ACWCL club sponsored Hunter Education course with a passing score will be eligible for one of the Youth Pheasant hunts held at Ashtabula Rod and Gun Club. For more information go to ACWCL's website at [www.acwclonline.org](http://www.acwclonline.org).

**Solon Sportsman Youth Pheasant Hunt**

Solon's Youth Pheasant hunt is a day in the field pheasant hunting in a relaxed and friendly environment under the watchful eye of a safe, responsible, experienced hunter. It is an opportunity to experience the enjoyment and excitement of watching a dog working a bird; the thrill of seeing a pheasant flush from cover and taking the shot, and then cleaning the day's harvest. Solon will be running the event next year November 7th 2015 to hopefully introduce many more youngsters to the thrill of upland bird hunting.
