

2018 Gun Raffle

We are excited about this year's gun raffle as a fundraiser for our 50 yard, outdoor range project. Each of you may know a dirt barrier has been installed on the east side of this range allowing uninterrupted shooting between the 50 yard and the 100/200 yard ranges. This year the 50 yard range will be expanded to 15 shooting positions under a new covered shelter with a dirt barrier on the west side. This will allow ORCO to accommodate other shooting disciplines in the future.

The Board and Fundraising Committee decided to expand the number of guns as well as other gun related prizes. Also, the ORCO member(s) selling the ticket(s) for the top three prizes will receive a credit towards their 2019 dues as follows (Be sure to write your member number on the stub of the tickets that you sell):

1st Ticket Drawn: \$50.00 Credit.

2nd Ticket Drawn: \$25.00 Credit.

3rd Ticket Drawn: \$10.00 Credit.

The raffle will have four guns and six gun related products or services and will be drawn at the April 6th Meeting.
