

NEWS

Email update July 11, 2010

Route 20: Route 20 is now open.

ORCO Shirts: The shirts are finished. If you ordered your shirt from Kris Johnston, they are ready now. Please contact Kris at 440-576-5740.

Bowling Pin Matches: Bowling pins have arrived at ORCO!!! The first match will be on Monday July 12 at 5PM (setup at 4:30pm). Handguns with 9mm or larger caliber will be used. Matches will probably be every Monday for 4-6 weeks depending on interest. Bob Gardner is organizing. This match may include steel as well.

Military Gun Shoot: Also attached please find a flyer for the AUGUST 7th Great Lakes Japanese Collectors Summer Shoot which ORCO is co-sponsoring. Please consider giving your support and participating in what looks like to be a great event! (See below for the flyer)

Attention ORCO hunters: As you might know, ORCO is part of the Ashtabula County Wildlife Conservation League (ACWCL). One consequence of our membership is that ORCO members are allowed to hunt on the ACWCL land. They have 150 acres on Shaffer Road, off of Route 45, in two plots, one of 100 acres and a second one of 50 acres. In the attached aerial view, the ACWCL land is shown outlined in RED. (See below for map)

A second benefit is the possibility of hunting on the Nature Conservancy 2,000 acre Morgan Swamp Preserve. This year the Nature Conservancy is going to be releasing 10 applications for hunting permits to ORCO. We should be receiving them at the end of July. That will give everyone time to get all of the paperwork cleared before deer bow season begins.

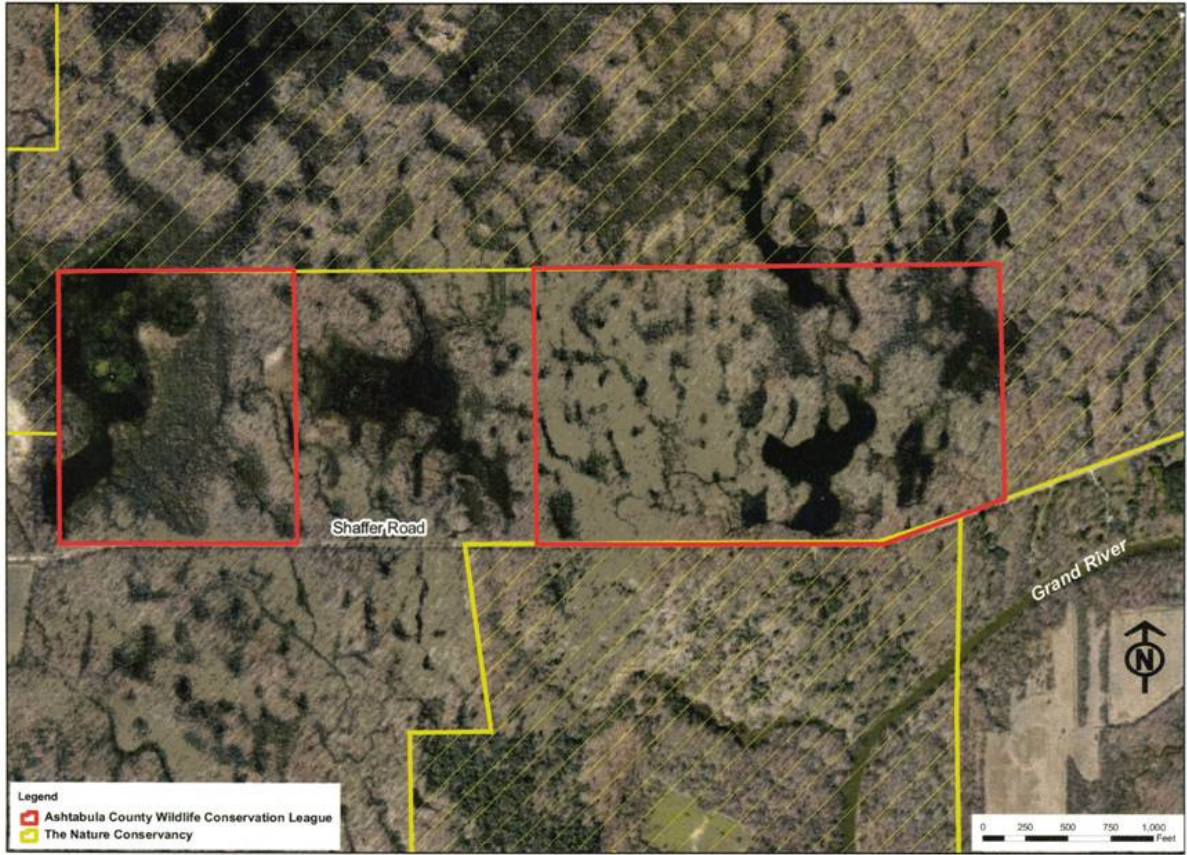

These should only be taken by serious hunters who will actually hunt the Morgan Swamp land, as the Nature Conservancy needs to thin the deer herd. There will only be a total of about 100 applications released for a total of about 80 hunting permits.

If you are interested, please email or phone Geoff Kotzar and he will put you on the list. The applications will be handed out on a first come – first served basis. Geoff Kotzar contact info: phone 440-272-5285 email gkotzar@yahoo.com

Upcoming tactical classes: ORCO will be conducting tactical shotgun, rifle and pistol classes. The classes will be in the fall. More information will be coming in future emails/newsletter.

Picnic: Don't forget, the 2nd annual ORCO picnic/membership meeting is coming up on August 6.
